Estonian Arrivals in Finland.

...We are anticipating further detailed info from TIRRALIRRA and [] as soon as their appointee returns from his trip to Finland for the purpose of interviewing the travelers. It is possible that this appointee is KURES, in which case it is obvious, if [] characterization is correct, that the possibilities exist for a security break involving the TILESTONE operation. We do not yet, however, wish to consider this seriously until additional info is available concerning the character of KURES and an exact description is obtained setting for the relationship existing between KURES and the TILESTONIANS.

Subsequent report concerning the Estonian arrivals in Finland and the role of KURES has now been received from TIRRALIRRA.

KURES is not known to TIRRALIRRA or other TILESTONIANS except by name and there is no reason to believe he is aware of their activities. Therefore any concern that the subject was penetrating the TILESTONE Operation was unfounded....
